DPF 4600GX

DPF 4600GX is your go-to high performance calendared film providing you with an efficient and versatile solution. DPF 4600GX can be used with or without an overlamine while maintaining the perfect balance of body and conformability. The repositionable adhesive allows for easy installation while ensuring enough opacity for covering existing graphics. The LX (Low Profile) X-Scape Technology® provides installers a bubble-free installation with a smooth, paint-like finish for a multitude of different applications from vehicle decals, to promotional signage, and interior wall. Depend on DPF 4600GX to deliver the best results.

DPF 4600GX is designed for use on simple to moderate curves for vehicle wraps.
