

Premium Print Media Film

Vehicle Graphics at Low Cost

DPF 4600LX is a premium print media film that allows you to complete a high-quality vehicle graphic at the right cost. DPF 4600LX can be used with or without an overlaminates while maintaining the perfect balance of body and conformability. The repositionable light gray adhesive allows for easy installation while ensuring enough opacity for covering existing graphics. The new LX (Low Profile) X-Scape Technology provides installers a bubble-free installation with a smooth, paint-like finish.
