## PRODUCT DATASHEET

### Utopia UT650LTR Printwalk

The user is responsible for determining the product's suitability for the intended application. Data represents average values where applicable, and is not intended for specification purposes. All statements, technical information (including physical and chemical characteristics) and recommendations about Graphic Art Mart products are based upon tests believed to be reliable but do not constitute a guarantee or warranty. Specifications may change without notice.

\*Expected Durability is an estimate (based on the manufacturers testing) of how long the product (unprinted) may perform satisfactorily in a horizontal indoor application in temperate non-extreme conditions. Actual performance life will depend on media and surface preparation and exposure conditions. For example, the direction and angle of the graphic; in areas of long, high temperature exposure; in areas of high pollution or high altitudes, outdoor performance will be decreased. Note, there is no warranty associated with this estimate. Laboratory test reports available upon request at cost.

Graphic Art Mart's liability for defective products shall not exceed the purchase price paid by the purchaser or user and under no circumstances shall Graphic Art Mart be responsible or liable for any direct or indirect consequential or incidental damages or charges (this includes but is not limited to labour, loss of profits, revenue, business, opportunity and so forth) foreseeable or otherwise caused by defects in the Graphic Art Mart product.
