

Utopia UT 500 P Metalwalk Asphalt Graphic

UT 500 P is an alumi based non-PVC film with specially designed embossed matte coating intended for a wide range of short term promotional and signage applications suitable for applying onto concrete, asphalt, brick, tile, terrazzo, vinyl floor, stucco, cinder block and masonry. (Not suitable for Treated natural stone, Polished marble and other polished surfaces). Unique construction ensures that the graphic will not break up when being removed

Features:

- ◆ Alumi base with removable adhesive
- ◆ Superior conformability to rough or smooth surfaces
- ◆ Excellent adhesion
- ◆ Great durability in all weather conditions
- ◆ Exceptional slip resistance and reflectivity due to the high friction surface
- ◆ No heat source required for application
- ◆ Film does not require overlamine due to the specially designed matte coating finish
- ◆ Eco-friendly disposal with aluminium recycling
- ◆ Polyester membrane to improve in-tact removability
- ◆ P5 Textured non-slip surface – P5 non-slip rating**

Common Applications:

- ◆ Textured floor graphics
- ◆ Point of sale
- ◆ Promotional and signage applications
- ◆ Indoor and outdoor advertising

Ink Compatibility:

- ◆ Solvent printers
- ◆ Eco and mild solvent printers
- ◆ UV printers
- ◆ Latex printers

** P5 non-slip rating in accordance with AS 4586:2013 Slip resistance classification of new pedestrian surface materials, Appendix A – Wet Pendulum Test
